Digital Library Week 11

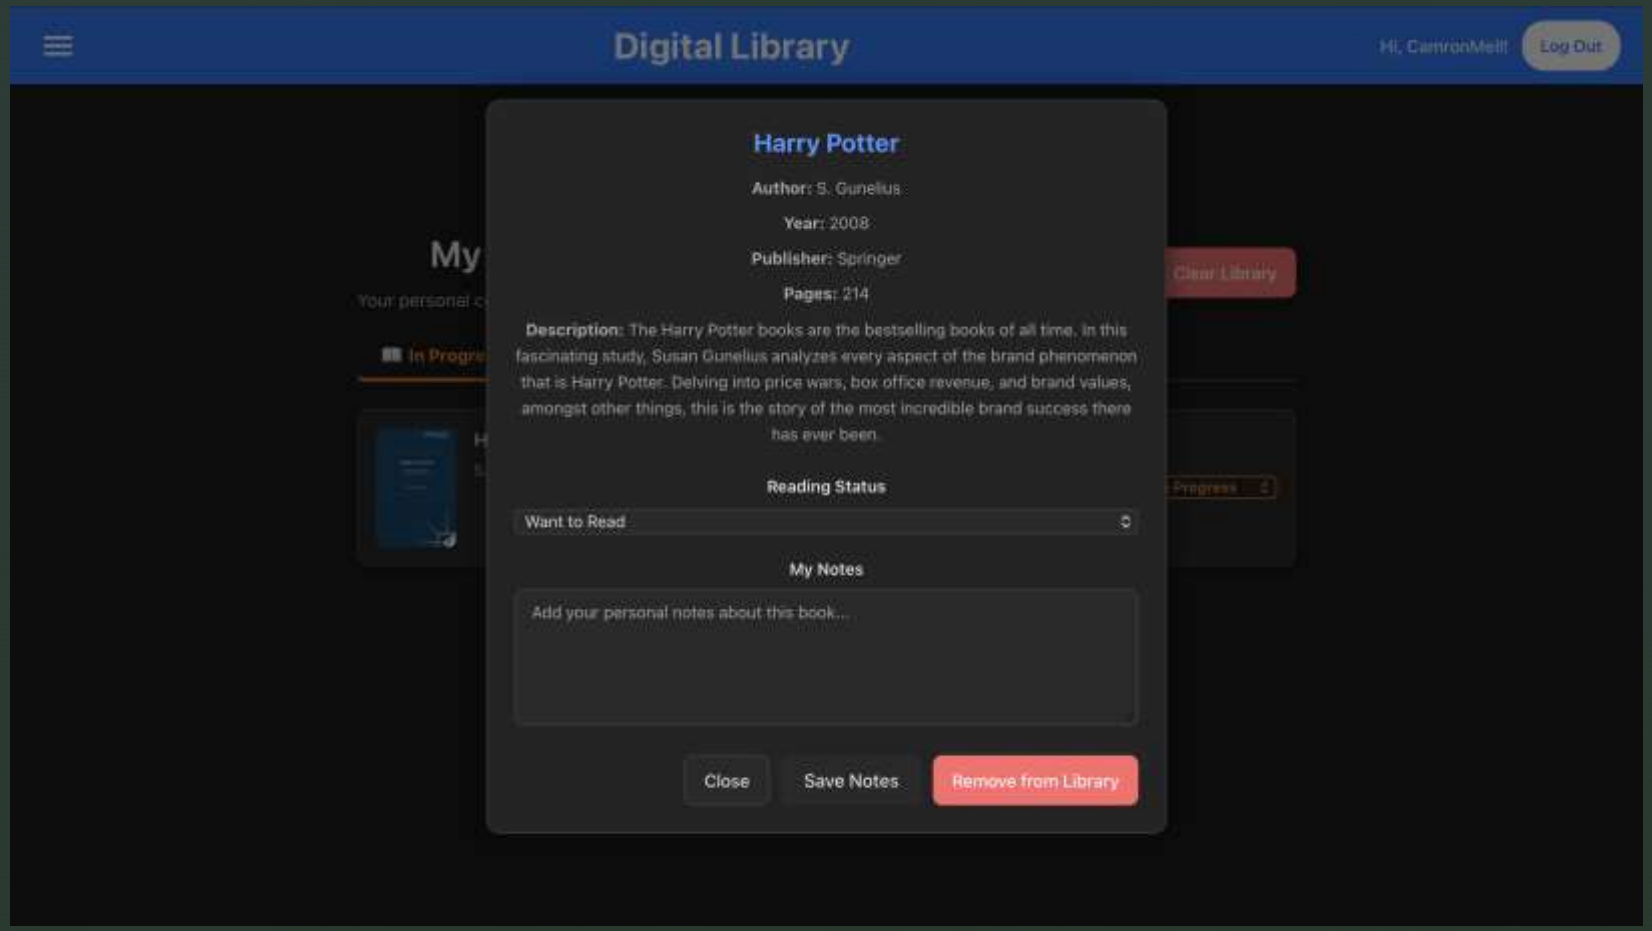
Gantt Chart

- We are on track with our gantt chart as

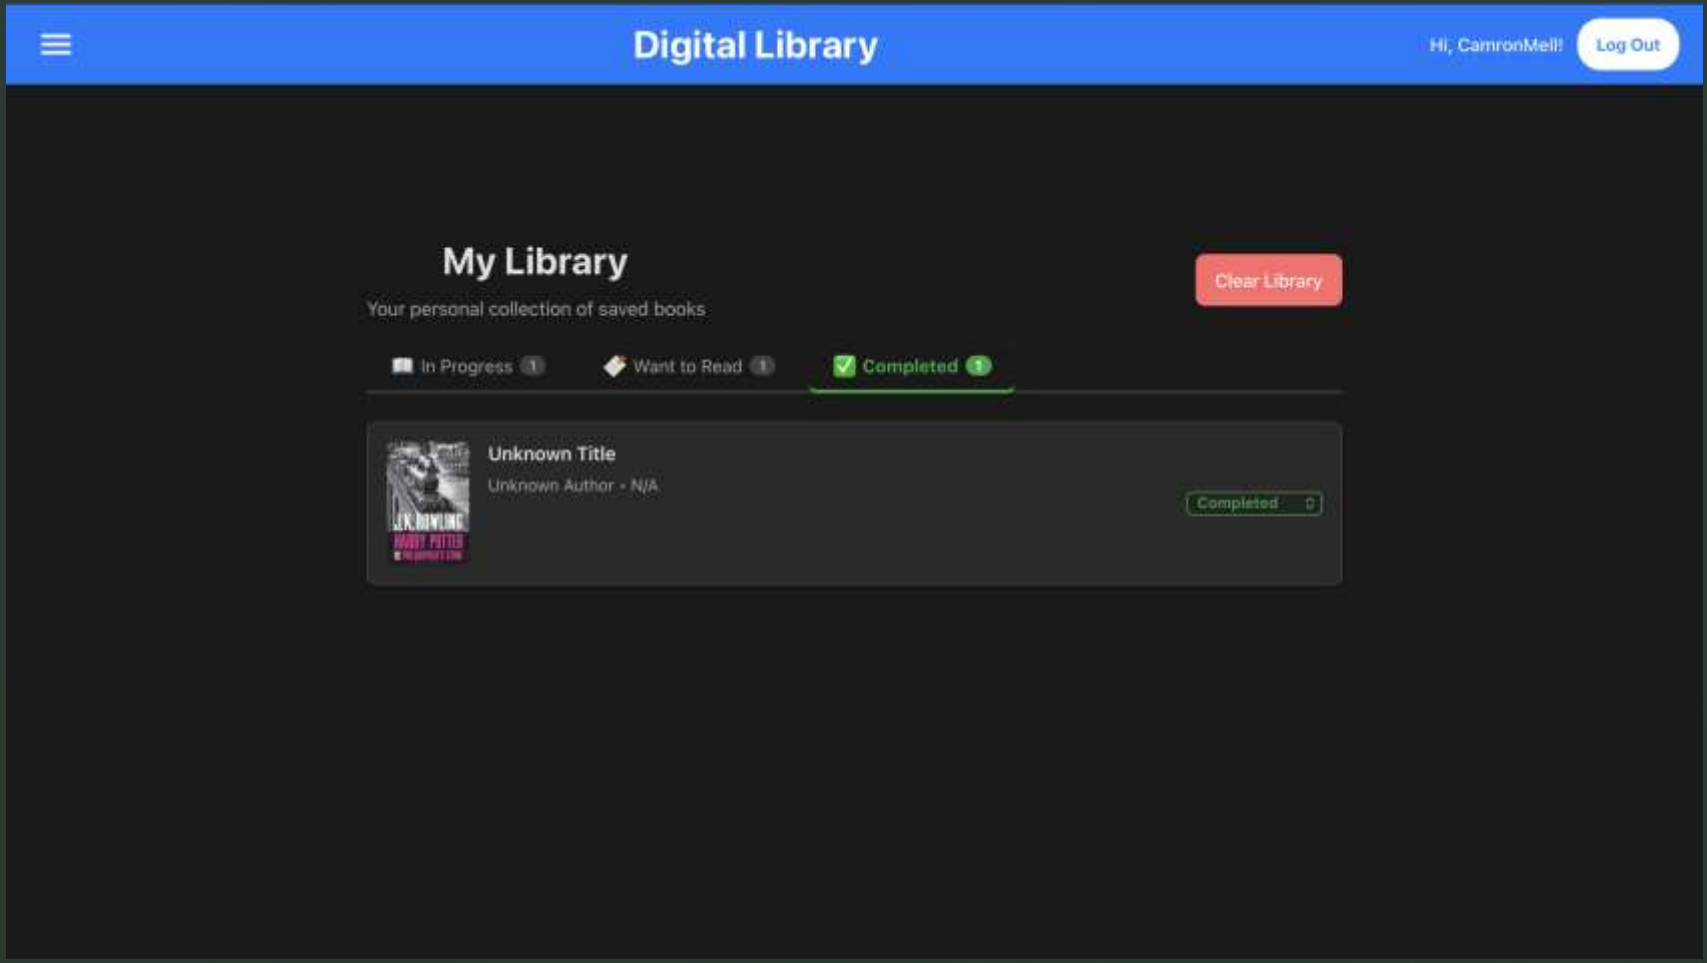
This Week

- Got email verification working
- Implemented notes and progress
- Finishing up implementation of AI

Updated popup



Updated Library Page



Example Prompt

Example Output

[{"title":"East of Eden","author":"John Steinbeck","reason":"Refines the themes of human nature and brotherhood found in your interest in Steinbeck's other work."},{"title":"Jane Eyre","author":"Charlotte Brontë","reason":"Offers the same wit and social complexity as Pride and Prejudice but with a darker, more atmospheric tone."},{"title":"The Picture of Dorian Gray","author":"Oscar Wilde","reason":"Complements The Great Gatsby by exploring the tragic intersection of beauty, morality, and high society."},{"title":"A Tale of Two Cities","author":"Charles Dickens","reason":"Matches the historical grandeur and themes of sacrifice and justice seen in The Count of Monte Cristo."}]

Challenges

- Email Verification
- Testing of new features broke others

What’s Next

- We will finish up the AI integration of the application. As well as put on the finishing touches for the app.
