UI Showcase : Home Page

The image shows a digital library application's home page. At the top, there is a blue header bar with the text "Digital Library" in white. On the left side of the header is a white three-line menu icon. Below the header is a large, empty white area. In the center of this area is a search component. It features a white input field with a placeholder "Search for a book" and a white button labeled "Search". A dropdown menu is open, listing several book titles and authors: "mistborn", "mother night", "kurt vonnegut", "the way of kings", "the will of the many", and "project hail mary". The entire interface is set against a dark background.

UI Showcase: About Page

The image shows a screenshot of a mobile application's 'About Page'. The top navigation bar is blue with the text 'Digital Library' in white. On the left side of the bar is a white three-line menu icon. The main content area has a white background. At the top of this area, the text 'About Page' is centered in bold black font. Below this, there is a paragraph of text: 'Our Digital Library is a modern platform designed to make accessing and managing books simple and intuitive. Whether you're looking to explore new titles, organize your reading list, or discover your next favorite book, our library provides a seamless experience for book lovers of all kinds. Built with accessibility and user experience in mind, we aim to bring the joy of reading to everyone, anywhere.' Underneath this paragraph, the section title 'Our Team' is displayed in bold black font. Below 'Our Team', there is a list of names: 'Josh Watson', 'Camron Mellott', and 'Luke Joseph'. At the bottom of the page, the text 'Learn more about our Digital Library.' is followed by a blue link 'View Full Project Details'.
